ASSOCIATION INTERNATIONALE DE DROIT DES ASSURANCES

President: The Honourable Mr. Justice Reyes

The Hong Kong Insurance Law Association (HILA) is the Hong Kong Chapter of The International Association of Insurance Law (AIDA) and was chiefly established to advance knowledge of insurance law and provide an opportunity for members to network with others of similar business interests.

In addition, HILA also undertake to promote debate, dialogue and collaboration between representatives of all sectors of the insurance law fraternity in Hong Kong, including underwriters, brokers, lawyers and academics, on matters affecting the industry and its participants.

In time, HILA intends to position itself as the industry's predominant forum for the review of insurance law and regulation and thereby at the forefront of reform.

To facilitate these main goals, HILA will organise a programme of formal and professional functions such as seminars and colloquia, as well as periodic social gatherings.
